Plan Ceremonies At Redwood City For Armistice Day, Offices Here Closed

Armistice Day, Saturday, November 11, will find Daly City, like the rest of the nation, more concerned with winning the war than celebrating a peace which does not exist. No formal observance has been planned for this community. All city offices, with the exception of police department and draft board, will be closed, as will local banks and some offices. The post office will be open.

At Redwood City there will be a special Armistice Day celebration, Saturday, at 11 a. m., under the sponsorship of the Twenty - sixth district, American Legion. It will be the presentation and unveiling of a portrait of Abraham Lincoln at the county courthouse. The picture was donated by Supervsior Thomas Hickey to the county.

In the event of bad weather the ceremonies will be held in the supervisors' chambers instead of on the front steps of the courthouse.

The Twenty-sixth district, American Legion, was asked to sponsor the program in behalf of all service groups in the county. The committee invites the public to attend.

Crocker Tract Area Outstanding In Canvass

In tabulating results of the 1944 War Chest drive in Daly City after the close of the house-to-house canvass, November 1, Mrs. Clara E. Lane, chairman, learned that this community gave $3,274.53, several hundred dollars above its $2,950 quota. In addition, War Chest headquarters in Burlingame advised her that nearly $300 in special appropriations had been credited to Daly City with their office.

The Crocker tract section, under Division Leader Mrs. Cecelia Hale, was outstanding in the canvass of residential areas, accounting for $1,012.25 in cash donations to the drive. Mrs. Hazel Marsh was division leader for the southern section of the community and Mrs. Mary Crane, for the Vista Grande area. Mrs. Marce Trier, who headed the workers assigned to contact the business district, turned in $1,059.73.

Mrs. Lane exressed her delight that Daly City was able to meet and top its 1944 quota in this important campaign for war service and home front welfare agencies and attributed the success of the drive to the hard-working volunteers who assisted her with the huge job.

Issue Membership Cards For D. C. Teen-Age Club

After its auspicious opening, Hallowe'en night, the Daly City Teen-Age club is all set to begin its regular Friday evening sessions, tomorrow night, November 10. Mrs. Maisie Boyle and Mrs. Ann Eason, members of the Daly City Recreation committee, who were instrumental in opening the center at No. 5 firehouse, Oliver and Bellevue, report that the number of those attending the dances will be limited to about 80 each time.

Membership cards, required for admission, are being issued to insure all boys and girls an opportunity to attend. One night during each month will be for seventh and eighth graders exclusively. First of these occasions will be Friday night, November 17.

Hours are from 7 to 10 p. m. All teen-agers who have not signed up to receive membership cards may register at the Daly City Water office, 75 Wellington avenue. Most of the students at Jefferson Union high school have already signed up to attend the new recreation center.

Board Gets Report On Pre-Induction Exam

Notification of local men who passed pre-induction physical examinations, Tuesday, October 31, has been received by Daly City Draft Board No. 103. Mrs. Isabelle Flynn, chief clerk, reports that the following were accepted: Jose P. Ordonez, Colma; Dino F. Donati, 32A Flournoy street; Leo Funai, 62 East Moltke street; John Winland, 227 Los Olivos avenue; William Buckingham, Colma; Melvin Johnson, 1158 Brunswick street; Emile Gardella, 156 Whittier street.

The local draft board did not meet this Tuesday evening. Next session will be held Tuesday evening, November 14. The board, due to the pressure of the business which must be transacted, sees only those who have advance appointments.

Requests received at the local board from the armed forces for this month include an induction call for November 14 and an order for eighteen men to report for pre-induction physical examinations, November 21. The fifteen men facing actual entry into the armed forces, next Tuesday, have already been sent their notices.

State Guard Appeals For More Recruits

With the emphasis shifting to the war in the Pacific and the increased possibilities of emergencies, Company A, Daly City's own State Guard group, issues an appeal for new recruits. All men 18-65 in good physical condition are eligible to join. Uniforms and equipment are issued free of charge and a full training schedule under Guard and Army personnel is provided.

Men interested in joining may report at one of the Wednesday night meetings of the local company, held at 101 Parkview avenue, or at the 10 a. m. Sunday drill. The group no longer drills at 101 Parkview on Sundays but instead the men meet there at 10 a. m. where transportation is furnished them to the National Guard Armory at Fourteenth and Mission streets.

Particular appeal was made for men who are either shortly going into the service or who have been in the service to sign up for this home-front duty.

"Training received with us may prove invaluable to the fellow entering the service," said First Lieutenant Milton Mayor, who is now commanding officer of the company. "We really need more volunteers from Daly City and hope men of this community will respond," he stressed.

Captain George Gates, formerly head of the local group, has

Enrollment Drive For Junior Red Cross Under Way

By November 15 Daly City school children will have signed up 100 per cent for enrollment in the Junior Red Cross if previous year's campaign results are used to forecast the outcome. The membership drive is now on at all schools of the Jefferson School district, according to R. L. Crane jr., superintendent.

The poster above, drawn for the 1944 drive by Al Parker, points out that the major project of the organization at the time being is turning out articles for the armed forces. This is especially true of where emphasis falls in the work program for Daly City, where since the beginning of the war the boys and girls have bent every effort to turning out things which would be of comfort or convenience to the armed forces, particularly the wounded at hospitals.

To give the public an idea of the work being done by local youngsters in their Junior Red Cross program there is a display of just a few of the items at McGraw Brothers pharmacy, 6300 Mission street, this week. Everyone is invited to see it and to note the tidy workmanship on the bedroom slippers, ditty bags, bedside bags, cribbage boards, ash trays, lap boards, game bags, housewives, writing pads, and writing case.

And these are just samples, remember! The children here really turn out the work, establishing a county-wide reputation for both quantity and quality.

Steal Cash From Hilltop Safe

More than $2,000 was stolen from the safe at Hilltop lodge between 12:30 and 6:30 a. m., November 6, local police records show. The Daly City officers, called in on the case at 6:40 a. m., Monday morning, launched a thorough investigation and called in the burglary detail of the San Francisco Police department.

Acting Chief Bill Bolger explained that the case was typical of robberies involving safe-cracking, taking place throughout the Bay area at this time. Fingerprints were taken.

"These were smooth operators," Bolger said. Officers Roy Beecher and James Welsh reported to the tavern with him.

Pat Higgins, employee at the lodge, discovered that the place had been entered and burglarized. Entrance had been gained through the door at the back of the building.

Other weekend police incidents included stolen cars, drunken driving, family rows, and juvenile

BOOK WEEK

Has it been quite a while since you've been in to browse at the Daly City library, 6351 Mission street? There couldn't be a better time to renew acquaintances with your own public library than during Book Week, November 12-18.

Mrs. Jean O'Rourk, head librarian, issues an invitation for Daly City residents, especially the youngsters, to come in to see the special exhibits, posters, and new books during the week.

Attractive book marks will be issued during the week-long observance.

Theme for this year's celebration is "United Through Books."

TRUSTEES TO MEET

Meetings of the Jefferson Elementary School District Board of Trustees have been changed from the second Sunday morning to the fourth Thursday evening of each month. However, due to Thanksgiving coming on the fourth Thursday, this month, the meeting will be held, Thursday, November 16.

The board will convene at 8 p. m. in the Administration building, 344 Santa Barbara avenue. George Augustien is chairman.

POOL SCHEDULE

New schedule for the Jefferson Union high school pool was announced, this week, at the office of Superintendent Stanford Hannah. There will be no swimming on Tuesday and Thursday evenings. This is effective for tonight, November 9, and hereafter.

The pool will be open to the public, Monday, Wednesday, and Friday nights from 7:15 to 9:30 o'clock and from 2 to 5 o'clock, Saturday afternoons.

Special groups may rent the pool for use, Tuesday, Thursday, and Saturday evenings. Arrangements are to be made with Miss Ella Redkey, physical education instructor.

Roosevelt Receives 3,082 Votes Here

Daly City gave overwhelming approval to Franklin D. Rooosevelt as president of the United States for a fourth term at the polls, Tuesday. Out of a record turnout at the polls of 4,651 citizens, 3,082 cast their votes for Roosevelt. Governor Thomas E. Dewey, who lost California's electoral votes as well as the national popular and electoral vote, received only 1,459 votes here.

In San Mateo county as a whole the figures were closer with 31,116 for Dewey and 32,390 for Roosevelt. At the courthouse, W. H. Augustus, clerk, said that the county had its heaviest registration and voting in history in this election. Better than 85 per cent went to the polls, he estimated. Daly City, with a registration of 5,550, had an 84 per cent vote, Tuesday.

Daly City chose Sheridan Downey for senator over Lieutenant Governor Fred Houser, duplicating the choice of the state at large but at variance with San Mateo county which cast 32,085 votes for Houser as compared to 28,453 for Downey. In the race for congressman from the Eighth district, John Z. Anderson, incumbent, won by nearly 10,000 votes. In Daly City, Arthur L. Johnson, Democratic candidate, was high man for the congressional post. San Mateo county gave Anderson 32,295 votes as compared to 27,232 for Johnson.

In the runoff contest between Dr. Arthur E. O'Neill and Henry W. Edmonds for San Mateo county supervisor, Third district, the outcome was the reverse of the May consolidated primary election when Dr. O'Neill was high man. Edmonds was accorded 25,577 votes and O'Neill, 24,809. This contest was so close that the absentee ballots will be watched with interest. The canvass of absentee ballots will not be completed until November 23, Augustus said. Approximately 4,300 have been returned.

Although final figures were not available, yesterday, it was conclusive that State Proposition No. 1, the Veterans Bond Act of 1943, had passed. There were 495,768 "for" votes and 102,002 "against" votes. Proposition No. 9, the increased funds for elementary schools, passed by a healthy majority. There were 414,518 "yes" to 253,198 "no" votes. Both Proposition No. 11, the retirement payments, gross income tax plan, and Proposition No. 12, the right of employment proposal, were defeated throughout the states.

A tabulation of how Daly City voted follows:

Dewey-Bricker, 1,459
Roosevelt-Truman, 3,082

Downey, 2,703
Houser, 1,702

Anderson, 1,577
Johnson, 2,529

Edmonds, 1,784
O'Neill, 1,588

In the three Colma precincts the totals were:

Dewey-Bricker, 316
Roosevelt-Truman, 269

Downey, 261
Houser, 285

Anderson, 298
Johnson 237

Edmonds, 189
O'Neill, 247

Wallace I. Stratford Promoted To Sergeant

The Army Service Forces Training center at Camp Barkeley, Texas, announced, this week, the promotion of **Wallace I. Stratford** to the grade of sergeant. The Daly City soldier, whose home address is 1075 Hanover street, is in a medical training battalion.

"In Society" Now At Local Theatre

Two of the nation's funniest men, Bud Abbott and Lou Costello, who have been absent from the screen for more than a year, are being hailed at the Daly City theatre in the funniest picture they ever made—Universal's "In Society," in which they are plumbers.

"In Society" tells the hilarious story of what happens when Abbott and Costello are called to the home of a society woman to do some repair work. They arrive during a costume ball, dressed, naturally, as plumbers, but are mistaken for guests.

The things that happen thereafter could only happen to Abbott and Costello, who find themselves in society with a vengeance. There are many really riotous sequences, including a fox hunt to end all fox hunts, which winds up with the fox chasing Abbott and Costello.

"In Society," produced by Edmund L. Hartmann, is packed with so many laughs, gags and original Abbott and Costello antics, as to compensate fans for the comedians' too-long absence from the country's screen, due to Costello's illness.

An outstanding cast of supporting players includes Marion Hutton, young, blonde singing sister of Betty Hutton, romantic newcomer, Kirby Grant, Anne Gillis, who not so long ago was playing tomboy roles, and overnight blossoms out as a glamour girl; Arthur Treacher, Thomas Gomez, Charles Coleman, Will Osborne and his orchestra.

Jean Yarbrough, who demonstrates a thorough understanding of Abbott and Costello comedy, directed. There are half a dozen hit tunes in the picture, too.

curfew violators.

November 3, 1:45 p. m. Officer August Benassini traced the ownership of a truck left on County street near Market and found that it had been listed as stolen with the San Francisco Police department. He had it placed in Ferretti's garage and later a release for it was given to the owner, Oscar Costy, 30 Alviso street, San Francisco.

Early this week police were trying to get a line on the person who took a tray of Parker and Waterman pens from McGraw's pharmacy, 6300 Mission street, Friday. There were fifteen pens stolen, valued at from $8.75 to $10 each. They were on a wooden tray in a showcase at the front of the drug store. McGraw's is offering a reward for information leading to the arrest of the guilty party.

Reject Thousands

It is estimated that 500 members of the armed forces are being discharged every month because of tuberculosis. Approximately 150,000 men and women have been rejected for military service because pre-induction examinations revealed tuberculosis.

ARMISTICE DAY

Armistice Day of 1944, marking the twenty-sixth anniversary of Germany's capitulation in World War I, will hardly be celebrated with enthusiasm. The reason, of course, is that we are too intent on achieving the day of victory in the present world struggle.

Then, too, there really isn't much—if anything—to celebrate about Armistice Day. For years we looked upon it as the time when the world realized its dream of lasting peace. We have long since lost that view.

But November 11, 1918, does hold a valuable lesson for mankind—if mankind is wise enough now to learn it. The lesson is that peace does not automatically follow the cessation of war. Peace must be fought for with even greater vigor and determination than we use in waging war. We must employ to the full our spiritual and moral forces toward this goal and back them up, if necessary, with the nation's armed might.

In the final analysis, we must not have another armistice day in this war. It must be a day of victory—not just victory of one group of nations over another group, but victory for all nations over the scourge of war.

AMERICAN EDUCATION WEEK

American Education Week should not be passed off by the public as "just another week." It is too important. Or to put it another way, our public schools are too important to be taken for granted.

Our vast schools system can fulfill the purpose for which it exists only as the citizens of America maintain an alert attitude toward it and protect it from the inroads of "isms" and the forces which would divide the nation into conflicting classes.

Dictators must always gain control of the schools, in order to maintain their power. The end of the war will not bring an end to dispotic tendencies now so rampant in various forms throughout the world. The need was never more urgent that our young people be trained through sound education to combat this danger.

Declared Dr. Curtis E. Warren, noted San Francisco educator, "We spare no expense to get people ready to win a war because we know that only a trained people can win. Shall we do less to help our young people win the battles of the peace to come?"

American Education Week is an opportunity to visit and become more familiar with our public schools. They must be the concern of all the people, not just of the teachers and parents.

A nation is no stronger than its youth, and the quality of its youth is determined by the quality of its schools.

ELEMENTARY SCHOOL ACTIVITIES

AT WOODROW

Still films on the Southwest were recently shown to pupils of Room 4.

Studies of the Latin American countries are progressing, Room 8 pupils report. Soon they will feel quite well-acquainted with neighbors to the south.

The boys and girls of the sixth grade traced the beginning of the wheel back to the Egyptians and up to the present four-wheeled vehicles. The class did a great deal of research work on the many stages of development of the wheel.

Room 14 has a star fish. He lives in the fish bowl in their room. They also have a small truck garden in a box. There are many kinds of vegetables growing.

Room 15 saw a very interesting film on "Woolen Yarn." From the raising of the sheep to the finished cloth the various steps were interestingly explained.

AT JEFFERSON

Under the direction of their singing instructor, eighth grade children are learning many of the songs that were popular favorites here from the time of the Gold Rush days to the present. The songs include "After the Ball," "And the Band Played On," "Can't You Hear Me Calling, Caroline?," "Tell Me, Pretty Maiden." The learning of the songs is in connection with their unit on the San Francisco Bay area.

Boys of the high and low eighth grades are taking art metal and have finished some very artistic metal letter openers, charms, bracelets, and buckles. These boys, along with others who attend the craft classes, are assisting in the Junior Red Cross projects for the Army and Navy hospitals.

Boys in the high and low seventh grades are proud of the trays they have turned out in the craft shop. These trays are made of reeds and have wooden bases, which have colorful pictures painted on them in watercolors. These trays are to be taken home in time to decorate Thanksgiving tables.

AT CROCKER

Last week the pupils of Room 2 saw a film called "The Art of Spinning and Weaving" in connection with their unit on textiles. The picture demonstrated the methods used long ago in the practice of this oldest of the arts.

Members of Room 6 were entertained at many Hallowe'en parties. Joan Siino entertained last Friday evening; Mary Montano, last Saturday evening, and George Constantini, last Sunday evening.

Last week the students of Room 3 welcomed a new pupil, Joseph Silicani to Crocker school. Jesus Martinez is a new pupil in Room 4. He comes from Susanville, California.

READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

Double honors to Edgar Snow for his book, "People on Our Side." It has been chosen as an "Imperative" by the Council on Books in Wartime, and it has been selected as a book-dividend by the Book-of-the-Month Club.

EDGAR SNOW

Edgar Snow was the first foreigner to visit the Chinese Soviets in Northwest China, and out of that experience came "Red Star Over China," which has been translated into six Asiatic and several European languages. His next book, "Battle for Asia," was written while he was visiting the major battle fronts in the Far East.

In 1942 he left for an assignment that carried him 60,000 miles through India, Russia and China. His brilliant new book is concerned chiefly with those three great countries—their political outlook, their fight against the common enemy and their social and economic problems.

Quentin Reynolds, Collier's correspondent, says of Edgar Snow: "I have tried to explain to myself the phenomenon of a foreign correspondent who is more often right than most of us, and now I believe I have found the answer in the title of his new book. The real answer is, perhaps, that Edgar Snow has been consistently on the people's side."

* * *

The highest compliment which Edgar Snow received in Russia came to him accidentally. He was talking to three girls in their early twenties, who had been fighting as partisans and who had just made their way back through forests and swamps from far behind the German lines. They had been part of a group of fifty, thirty girls and the rest young boys and old men. "But who taught you how to fight?" he asked. "Were there military men with you?" "Only a few old men," the girls told him. "They taught us something. We also learned a lot from a book called 'Red Star Over China' that we brought from Smolensk. We got many ideas from it. Nearly every Komsomol in our group has read it by now."

* * *

The strength of the American Negro soldiers is legendary in India, says Mr. Snow. Our dusky sergeants got more work out of the slow-moving Assamese work gangs than any white master ever did—one reason being that they did not mind doing the job with the laborers. One story that spread through Assam told how an American Negro watched four underfed Indian coolies trying to move a huge log. Presently he interrupted their struggle, spit on his hands, pushed them aside, lifted the log on his shoulders and tossed it over their heads. Then he grinned and said, "Rest yo'self, brothers, you-all jes' done four days' work."

Five Pay Fines At Court, Friday

Judge William J. Sweeney presided at city court session, Friday afternoon, November 3. Only five fines were issued.

Those paying for infractions of traffic regulations were Albert Landi, 162 Seneca avenue, San Francisco, $10 for speeding; Harvey Lepper, 359 Cumberland street, San Francisco, $2.50 for disregarding a signal; Enid Riley, 1555 Mission street, $5 for speeding; Charles Salisbury, 618 Fortieth avenue, San Francisco, $1.50 for ignoring an arterial stop; Martin Strubel, 15 Patton street, San Francisco, $15, with $5 suspended, for speeding.

Men! Hook on to this top priority job!

Railroading . . . locomotives . . . flat cars . . . war trains rolling . . . action for active men—that's what this job is all about. That's why this job is no dull, cut-and-dried routine. That's why men with red blood take to it. And why you may want it. This is the job of Switchman with Southern Pacific—a job we train you for in a few days. Switching cars loaded with war materials . . . keeping 'em humping . . . working with an engine crew in the yards or terminals . . . working with real railroaders . . . helping America roll to victory. (And that's no flowery statement!) Fine wages: About $220 base, plus chance for overtime. Plenty of work . . . because S. P.'s biggest job begins when Germany is finished. A job with one of America's biggest companies. Here's your chance. Look into it! Men also wanted to train for Brakemen at similar pay.

Something New In Deer Hunting

Although she's an enthusiastic hunter, Mrs. George Newhall, Hillside boulevard, ran into an entirely new situation during the 1944 deer hunting season. Driving back to Daly City from the ranch she and her husband have at Round Valley in Mendocino county, a deer bounded across the road and she was unable to miss hitting it. The animal was injured and in order to put it out of its misery she had to use a hammer as she had no gun with her at the time. She did have a deer tag along, though.

Mr. and Mrs. Newhall divide their time between their lovely ranch at Round Valley and Daly City. A photograph of one of the pastures on their place appeared on the front page of "The Pacific Rural Press," last month.

COSTLY

The total cost of the average active case of tuberculosis, including diagnosis, treatment, hospitalization and lost wages, has been placed by an authority at $10,000.

WASTE PAPER

When salvage paper is collected, to avoid fire hazard, the Department of Agriculture recommends that it be stocked neatly and tied in bundles. Paper boxes should be flattened, then tied in tight bundles. A metal trunk or bin with a tight cover is the safest place to store paper. Next best is to stack paper bundles on a cement floor away from furnace, stove or hot pipes. Soiled or oily paper is useless for salvage and is also a fire hazard and should be destroyed.

GOOD NEWS

WPB has given priority assistance to producers to obtain cotton and flannelette fabrics. Outerwear, pajamas and underwear are included in the current children's apparel program. LOCAL OPA PREPARES COLUMN

(Editor's note: this column is prepared for The Record's readers by the local OPA board and is printed by this newspaper for the convenience of both the public and the board)

Military victories do not immediately remove the dangers of inflation. Almost half of the inflation of the World War I period occurred after the Armistice. For 20 months after World War I prices rose almost twice as fast as during the war. A very critical period in our price control program lies in the months immediately ahead.

In order to more effectively carry out the work of price control, all local OPA Boards will launch a drive in the very near future to be known as the "Grocer-Consumer Anti-Inflation Campaign." Details of this campaign will be forthcoming in this column in the near future. Remember the name: "GROCER-CONSUMER ANTI - INFLATION CAMPAIGN."

HARD CANDY . . . You will be interested to know as advance preparation for the approaching holidays that cent-per-pound ceiling prices have been established for straight flavor hard candies such as peppermints and lemon drops.

Under these flat price ceilings domestic candy makers are expected to increase output of single flavor hard candies which will have retail ceiling prices of 33c per pound for bulk sales and 35c per pound for hard candy sold in one pound bags. This is the same retail ceiling as that previously established for assortments of hard candies and for imported hard candies.

CIGARETTES . . . The present cigarette shortage is reflected in price advances in cost of living commodities because more retailers are limiting sales to one pack to a customer, thus removing the saving resulting from purchases of two packs at a time. Because of the demand for cigarettes of all types, we are repeating for your use available data on ceiling prices.

Camels, Luckies, Chesterfields, etc. which are known as standard or popular brands, must be sold by dealers for not more than they charged in March 1942 plus 1-2c tax increase per pack of 20. The freeze period, March, 1942, determines the price and accounts for the differences in prices that you have probably noted at neighborhood and cut-rate drug stores, hotels and grocery stores.

Economy brands of cigarettes, such as Avalons, Beechnuts, Dominos, Sensations, Wings, etc., have a maximum retail price of 13c per individual pack, or 12 1-2c each if the sale is of more than one pack. When sold by carton, the maximum price is $1.25. These ceilings hold for both the regular and the "king size" economy cigarettes. When you buy cigarettes, please check to see that the ceiling price list for cigarettes is posted where it can be easily read and that you are not charged more than the list price. If you do not see any price list posted, report this failure to comply to your local board immediately.

PLEASE attach your MILEAGE RATIONING RECORD when applying for supplemental gasoline. An average of 25 applications a day are being returned because this specification is not complied with.

KEEP HEALTHFULLY WARM THIS WINTER

Give your Heating Equipment a little practical servicing. You'll get more heat. You'll save money.

JUST as you get better mileage and more power from your automobile by cleaning spark plugs, removing carbon and tuning up the motor—a cleanup and tune-up of your heating equipment will result in better performance during the winter season.

First of all do this... If you have not cleaned out the cold air return to your furnace or the furnace pit of your floor furnace—do it now. The collection of dust drawn from the floor packs into such places and definitely affects the circulation of heat. Clean with brush and dustpan or vacuum cleaner attachment.

If you have a blower-type furnace, call your heating dealer for this four-point servicing. One—install new filters. Two—oil motor and bearings. Three—make needed adjustments. Four—readjust or relight the pilot.

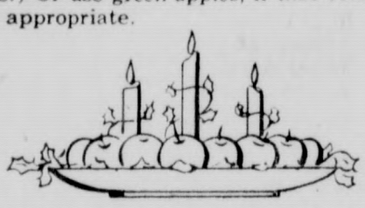
Look before you eat!

Try buying brilliantly colored fall fruits and vegetables when they are firm and slightly underripe. Use them as table and home decorations while they're reaching full maturity—then turn them into delicious health-building food.

Let your imagination run riot—even the most casual arrangement will sometimes produce the most dramatic effect.

The following ideas suggest the unlimited possibilities.

Arrange apples—shiny and red—in a pedestal or low bowl, and tuck among them three sprigs of ivy, of different lengths. (It's a safe rule always to use some kind of foliage in these arrangements.) Or use green apples, if that color seems more appropriate.



For a centerpiece, hang garlands of grapes over the stem of a richly yellow pumpkin. Rest the pumpkin on a circle of brown leaves. Flank it with tall orange candles.

String three grapefruit, of graduated sizes, on a balloon stick, (or attach one to another with toothpicks). Tuck ivy or lemon leaves between the fruit and around the bottom. Use flower frog to stand the arrangement upright.

Stand a large eggplant, stem up, on any flat dish. Hang a cluster of grapes from the stem, and surround the eggplant with lemons, and stand a few bananas around it if they are available. "Garnish" with ivy leaves.

One Gesture -- Two Dessertsl

By MOLLIE MARTIN

Two delicious musts for Fall—and both with no more effort than it takes to make one. Spicy Pumpkin Chiffon Pie and inviting Lemon Chiffon Tarts will set off to perfection your favorite Fall menus!

"THE frost is on the pumpkin"—which means that the pumpkin is just right for a pie. And it means too, that busy days are ahead for housewives getting the children off to school, and planning the Winter food supply.

If you're at a loss for time, try out this quick-method system for preparing desserts for two meals with little more effort than it takes to make one dessert. Make a double batch of pastry. Line pastry tin with half the dough and fill it with a spicy Pumpkin Chiffon filling. Mold the other half of the pastry into tart shells, and fill with Lemon Chiffon. It's as simple as 1-2-3, and you're all set with a pie for dinner at night, and tempting tarts for lunch the next day!

Pumpkin Chiffon Pie

1 envelope plain unflavored gelatine
¼ cup cold water
3 egg yolks
½ cup sugar
1¼ cups pumpkin (canned or fresh)
⅔ cup milk
½ teaspoon ginger
½ teaspoon cinnamon
½ teaspoon nutmeg
½ teaspoon salt
½ cup sugar
3 egg whites

Beat egg yolks, add one-half cup sugar, pumpkin, milk, spices, and salt. Cook in double boiler until thickened, stirring constantly. Soften gelatine in cold water and dissolve in hot custard. Cool, and when mixture begins to thicken fold in stiffly beaten egg whites to which remaining sugar has been added. Pour into baked pie shell or crumb crust and chill. Garnish with whipped cream if desired, just before serving.

Lemon Chiffon Tarts

1 envelope plain unflavored gelatine
¼ cup cold water
3 eggs
½ cup sugar
½ cup honey
½ cup lemon juice
½ teaspoon salt
1 teaspoon grated lemon rind

Add honey, lemon juice and salt to beaten egg yolks and cook over boiling water until of custard consistency. Soften gelatine in cold water and dissolve in hot custard mixture. Add grated lemon rind. Cool, and when mixture begins to thicken, fold in stiffly beaten egg whites to which sugar has been added. Fill baked tart shells and chill. Just before serving spread a thin layer of whipped cream over tarts, if desired.

Make Ornaments

The engagement of Miss Elaine Hanson, well-known Daly City girl and a graduate of Jefferson Union high school, to Lieutenant Jack Hertel, U. S. Marine Corps, was announced, Saturday, October 28.

The romantic news was disclosed to nearly fifty friends who attended a tea given on that date at the home of Mr. and Mrs. Fritz Hanson, 401 San Diego avenue, parents of the bride-elect.

IT WAS GOOD!

Food is never so good as when cooked over a camp fire—at least that was the enthusiastic stand of 23 girls from Scout Troops 2 and 3 who enjoyed a breakfast hike, Saturday morning, November 4. The event gave several of the girls an opportunity to pass their fire-building test. Menu was bacon, eggs, hot chocolate, bread and butter sandwiches.

Accompanying the girls on their trek to the hills behind Crocker tract were Mrs. Hazel Marsh, leader of Troop 2; Mrs. Elsie Hesselein, leader of Troop 3; Mrs. Ethel Proschold, assistant leader of Troop 3.

A., for their business and social meeting, Thursday evening, November 16, at Masonic hall, 17 Hillcrest drive. Hospitality chairman for the occasion will be Mrs. Ida Forest. The committees from the various courts, the Knights of Columbus, and representatives from each parish will meet tonight, November 9, to make further plans.

Mrs. America Meets The War - -

No gnashing of teeth over nuts this fall, Mrs. America, for OPA tells us the nut crop this fall is expected to be 15 per cent above last year, and that's 47 per cent above the average. The time is now for making that nut bread you've been planning!

And speaking of nut bread — why not banana nut bread? Now there's a real treat to put in the family lunch boxes. We should be seeing a few more bananas on the market soon, too, for the removal of certain shipping restrictions is expected to increase civilian supplies. However, bananas will be coming into the country via New Orleans as West Coast ports become more and more clogged with military personnel, so prices here may be higher to reflect cross-country shipping costs.

There'll still be plenty of orange blossoms for war-time weddings, but the fruit itself is going to be scarce in the west for the next five or six weeks. Until the new orange crop is in you may have to shop around to find your citrus.

The meat, fat, and cheese budget should be definitely in the red these days, for OPA announced four more red stamps in book four which became valid, November 1. That means L-5, M-5, N-5, and P-5 will bolster the buying power on these foods.

EXAMINATION

The San Mateo County Board of Education will conduct an examination on the Constitution, Saturday, November 18, at 9 a. m. in the Central school, Redwood City.

Teachers who need to meet this requirement for certification may take the examination at this time, according to Pansy Jewett Abbott, county superintendent of schools.

AUCTION SALE

The San Mateo County AAA office today announced that a farmers auction sale of surplus property suitable for agricultural use will be held, November 16, at Modesto under the auspices of the AAA, Federal Farm agency.

Materials and supplies needed in rural areas ranging from rubber boots and hand tools to electric motors and welders have been assembled from two large defense plants recently closed in the San Joaquin valley. These will be sold in lots suitable to needs of individual farmers.

Local Navigator On 'Grocery Run'

An Eighth Air Force Liberator Station, England—They called it "Brogger's Grocery Run" when the group commanded by Colonel Jacob J. Brogger, of Butterfield, Minnesota, called a temporary halt to bombing the enemy, and took food supplies to the people of France.

Second Lieutenant **Ernest S. Parminter,** husband of Mrs. Paula Parminter, 299 Hillcrest drive, Daly City, California, a navigator, is a member of the group.

Not long before this these same Liberators had dropped bombs on the airfield in Central France. But then the field was in the hands of the Germans. When the planes landed, the runway was lined with waiting citizens of the town. Crying "Vive l'Amerique" and giving the Victory sign, they greeted our crews. It was the first time the American bombing crews had a close-up of the havoc they had wrought. Buildings and runway were demolished but American engineers had put the runway in order.

One of the American crew offered a pack of cigarettes to a Frenchman. It was intended as a gift, but the Frenchman would not have it so. The Frenchman thrust a ten franc note upon the giver, and haltingly explained it was not a matter of the note's value. It was both a souvenir and a bond of friendship. There was some more swapping, but no free giving. The crews exchanged cigarettes and sugar out of their rations for peaches.

It was the first time men of this group had landed on French soil. Previously they were greeted by flak and fighters. Now they were welcomed by friends.

Parminter, son of Mr. and Mrs. E. T. Parminter, Daly City, received his wings at San Marcos, Texas, January 15, 1944.

HOLY ANGELS PARISH ANNOUNCES FESTIVAL

Date for this year's festival and fair to raise funds for the new church at Colma has been set by members of Holy Angels parish. It is Saturday, November 18, and the event will be held in Colombo hall, San Pedro road, beginning at 8 p. m. Mass X-raying

Conservative estimates place the number of active cases of tuberculosis in this country at 500,000. About half of these are among people who do not know they have the disease and may be spreading it to others. Unknown cases can be discovered by X-ray. The San Mateo County Tuberculosis and Health association, which is supported by the sale of Christmas Seals, advocates mass X-raying among the personnel of industry, business and professional groups.

Companies One, Two Respond To Nov. 3 Alarm

Firemen of Companies 1 and 2, D. C. F. D., extinguished a blazing Chesterfield at 309 Vista Grande avenue, Friday, November 3, at 6:55 p. m. They drug it from the room to prevent spread of the flames and finished the fire-fighting task on the lawn.

The alarm was turned in from Box 21. Supervising the men were Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Elmer Kennedy.

IMPORTANT DATE FOR GIRL SCOUTS

Saturday, November 4, was an important date for three Daly City Scout groups, Girl Scout Troop No. 1, Girl Scout Troop No. 5, and Brownie Scouts No. 7. Combination fly-up and investiture ceremonies were held at No. 5 firehouse, Oliver and Bellevue, when bad weather made it necessary to abandon the out-of-doors program originally scheduled for Marchbank park.

Before the program, a wiener roast was held and the fact that it was indoors put no noticeable damper on the enthusiasm of the dozens of participants. After games and singing, the ceremonies were held. The pledge of allegiance was led by Eleanor Quickert of Troop 1. New Brownies entering Troop No. 7, of which Mrs. Marie Pool is leader, were invested next. They were Elaine Duckering, Emily Guido, Ordetta Bechtel.

Troop No. 1, which conducted the program for the entire group, gave their Scout Promise, led by Geraldine Borelli.

Mrs. Muriel Pabst was invested as leader of the newly formed Troop No. 5 by Mrs. J. S. Calvin, leader of Troop 1. Beth Anne Calvin presented Mrs. Pabst with her pin. Next, Troop 5 was officially invested and the following girls issued their pins, Joyce Verdoia, Barbara Miller, Maeellen Young, Helen Edwards, Marion Louise Newcomb, Barbara Dale, Mary Anne Costello, and Georgeane Caballaro.

The Brownie fly-up ceremony was conducted by Gerrie-Lou Haley of Troop 1. From Brownie Scouts No. 7, June Prescott and Janet Reynor flew up into Girl Scout Troop No. 1, and Diane Hale and Barbara Delucchi, into Girl Scout Troop No. 5.

At the court of awards, pins for war service work were presented to Diane Hale, Barbara Delucchi, and Arlene Pool. Troop 1 girls receiving second class rank were Geraldine Borelli, Marjorie Kruse, Joan Siino, Rose Heffron. Gerrie-Lou Haley received the cooking badge and service bureau pins went to Eleanor Quickert, Beth Anne Calvin, and Gerrie-Lou Haley.

Troop 1 girls who worked toward their second class rank during Girl Scout Week were Alberta Smith, Carleen Leach, Rita Hernandez, Beverly Bruch, Nancy Chronister, Helen Smith, and Christine Quickert. The girls particularly thank Miss Winifred McGrath, Pershing school, for teaching them folk dancing during the observance.
